- Venue : HKMA Wanchai Premises
5/F, Duke of Windsor Social Service Building, 15 Hennessy Road, Wanchai, HK
- Speaker : Mr. Bryce HONG
- Capacity : 40
- Reservation : Registration is strictly required on a **first come, first served basis**.
- Enquiry : Miss Carman WONG, Tel: 2527 8285

Content:

1. How did I get to do HL7, etc?
2. What is HL7? Its history and advantages?
3. Challenges in implementation, pitfalls experienced
4. Some success stories
5. Q&A

About the speaker:

Mr. Bryce HONG graduated in Computing Science at the University of Alberta and is a certified HL Control Specialist.

Bryce is an interoperability expert in the field of Health Information Systems. As the Director of Integration for ECDS EmpowerER Systems, Bryce orchestrated HL7 integration projects with over a dozen leading vendors of health information systems, at over 30 hospitals in the United States. As the Director of Client Services for iINTERFACEARE Inc., Bryce helped develop cutting edge tools for the industry and gained a wealth of knowledge and experience with other specialists in the HL7 field.
